

Professional Training Instructor

Training Facilitator Assistant – Performing Arts

Tasks and Responsibilities

The Professional Training Instructor is responsible for supporting arts-based workshops and community outreach programs. This role includes assisting lead facilitators in planning and executing creative training workshops for emerging artists and community participants. The Professional Training Instructor will gain mentorship in facilitation techniques, program planning, and leadership in arts education.

- Support lead facilitators in planning and delivering performing arts training workshops.
- Assist with logistical arrangements, including materials preparation and participant registration.
- Provide feedback and one-on-one support to participants during workshops.
- Document workshop outcomes, including participant feedback and success stories.
- Contribute ideas for future workshop content and community engagement initiatives.

Mentorship Opportunities and Career Benefits:

Participants will gain facilitation and leadership skills while contributing to impactful community arts programs, preparing them for future roles in education and arts-based community work.
